**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please say NO to price hikes that will increase the cost of internet and telephone services. Broadband allows me to work from home and take care of my family, working from home and being flexible with my work schedule. I have one fiber connection to my house today and more competition would help bring the price down.
